[FAQ](#)

1 How many is the MOQ of your company?
Our company MOQ is 1pcs.

2 Could you accept OEM and customize?

YES, OEM is accepted and we can customize for you according to sample or drawing.

3 How about the corner?

In stocks, some are white, and some are black.

But we can process the white corner to black, also black to white.

4 Do you have stocks?

YES, we have most of the bearings in stock in our warehouse, especially big bearings.

5 Do you have only big bearings?

We have big, medium and small bearings in stock. But large bearing is the advantage of our products compared with other companies.
